

Estamos Trabajando

Tune: Yellow Rose of Texas

Author of Granny lyrics unknown; original song sheet noted “**Start on A**”

When **you** exploit your **workers**, you **save** a **buck** or two
But **immigrants** are **people**; they **pay** their **bills** like you
When **fam’lies** have no **health** care, it’s **not** just **their** concern
It **hurts** the whole **community** when **they’ve** **nowhere** to turn.

CHORUS: Estamos **trabajando** por **la** **justicia**
Queremos **apoyarnos** **vivir** en **dignidad**
Queremos **beneficios** para **las** **familias**
Vivimos todos **juntos** — en **la** **comunidad!****

These **laws** that punish **immigrants** are **really** **lousy** bills
Let’s **send** them back to **Congress**, ’cause **we** have **had** our fill!
We **Grannies** say that **immigrants** **deserve** a **decent** wage
And **schoolrooms** for their **children**, or **else** you’ll **hear** us rage!

CHORUS

***Translation of Spanish:*

We are working for justice

We want to support each other’s right to live in dignity

We want benefits for all families

We all live together in the community!
