

Wisconsin's Beauty

Tune: Are You Going to Scarborough Fair

Lyrics: Linda Roberson & Rebecca Alwin

[Guitar chord, then flute intro]

Have you been to Wisconsin's North Woods?
/ Maples, **bee**ches, **red** oak and pine
Trout streams, **loons**, **cattails**, and **be**-ars
Wisconsin's beauty, a **true** love of mine.

Have you searched the **woods** for morels?
/ Have you **listened** for **warbler** and thrush?
Have you seen the **great** eagles **so-ar**
Or **fished** for **walleye** in **clear** water's rush?

Have you been to Pen-o-o-kee Hills
/ Home of **Chippewa Bad** River Band?
Wild rice **fields** and **cranberry bo-gs**
Don't // let **mining** **ruin** the land!

Have you seen the **fox** and the deer
/ Otters, **elk**, grey **wolf**, mink and more?
All Earth's **creatures** **needing** their **spa-ace**
Not **rape** of the **land** that **none** can restore!

Have you been to Wisconsin's North Woods?
/ Musky, **moose**, and **po-orcupine**
Waterfalls, **as-pen**, **basswood** and **a**-ash
Wisconsin's beauty, a **true** love of mine!
