

## THE VOTE SONG

tune: Clap Your Hands  
the Ottawagrans, modified

If you can't be bothered voting — think again  
If you can't be bothered voting — think again  
If you can't be bothered voting  
Keep in mind and it's worth noting  
That the ones who got us in this mess might win.

Oh democracy's a nuisance you might say  
But **WE** would not prefer another way  
Yes, **WE** would always choose it  
We **USE** it or we lose it  
So vote and you will always have a say.

If you can't be bothered voting don't complain  
You must remember voting's not a game  
A politician's not a saint  
Sometimes honest folks they ain't  
If your legislator's lousy you're to blame.

If you can't be bothered sorting who is who  
The League of Women Voters will help you  
Check their Candidate's Answer sheet  
Information so complete  
It will surely help you choose just what to do.
