

## **Estamos Trabajando**

tune: Yellow Rose of Texas

*(revised June, 2010)*

When you exploit your workers, you save a buck or two.  
But immigrants are people, and they pay their bills like you.  
When families have no health care, it's not just their concern  
It hurts the whole community when they've nowhere to turn.

### **CHORUS**

Estamos trabajando por la justicia  
Queremos apoyarlos vivir en dignidad  
Queremos beneficios para las familias  
Vivimos todos juntos — en **la** comunidad.

Laws that punish immigrants are really lousy bills  
Let's send them back to Congress, 'cause we have had our fill!  
We Grannies say that immigrants deserve a decent wage  
And schoolrooms for their children, or else you'll hear us rage.

### **CHORUS**

Estamos trabajando...
