

We Have Just One World

Key of C — Start on G

tune: You are my Sunshine

We have just one world
Yes only ONE world
Complete with sunshine, wind and rain
With ancient forests
And clear blue oceans
And living streams and fields of grain.

We have just one world
Yes, only ONE world
With purple mountains
And fruited plain
And when we soil it
Pollute and spoil it
We'll never get that one world again.
