

Another Groom Key of C — Start on G
Tune: “Makin’ Whoopee”

Another groom, another groom
Another sunny honeymoon
Love is so pleasin’, no other reason
For makin’ whoopee

Italian shoes, who cares the price
Both grooms are nervous — they answer twice
No one is jeerin’, their friends are cheerin’
For them to whoopee

Picture two happy lovebirds
No matter who they be
Saying those wedding vow words
To marry, all should be free

Another bride, another bride
Another marriage no one will hide
Let all who want to, say the words “I do”
And go make whoopee!
