

## **Bring Back Wisconsin to Me**

Tune: My Bonnie Lies Over the Ocean

Lyrics by Lou & Peter Berryman

Wisconsin, whose motto was “Forward”  
Was populist as it could be  
But now the new motto is “Backward”  
Oh, bring back Wisconsin to me

CHORUS:       Bring back, bring back  
                  Oh bring back Wisconsin to me, to me  
                  Bring back, bring back  
                  Oh bring back Wisconsin to me

Tho we may be “God’s frozen people”  
We bask in the warmth of our plea  
Can’t bury my rights in a snowbank  
Oh bring back Wisconsin to me

CHORUS:

They’re trying to stifle our voices  
They’re trying to keep us derailed  
They’ll find it’s not easy to do tho  
McCarthy once tried and he failed

CHORUS:
