

# GIVE US ACCESS

*Tune: Comin' Round the Mountain*

*Lyrics by Betsy Cook, Madison Raging Grannies*

We'll be **coming** to the **Capitol** when we can  
Via **wheelchair**, **walker**, **cane** or **minivan**.  
We may **take** a little **longer**  
But our **will** just makes us **stronger** –  
We'll be **coming** to **Mad City** with a plan.

We will **fight** for decent **access** without fear,  
Needing **entrances** and **ramps** with signage clear.  
We are **here** to join the **protest**,  
For **access** laws need **redress** –  
These are **fundamental rights** we hold so dear!

We'll be **searching** for a **handicap** parking spot,  
Give a **good** piece of our **mind** to Guv'nor Scott.  
If we **can't** get in the **People's** House  
'Cuz **Walker** has been **such** a louse –  
We'll **be** back soon to **hatch** another plot!
