

When the Recall Vote Count Finds You

Tune: "Bicycle Built for Two"

Lyrics: Betsy Schussler, Northwoods Grannies

Walker, Walker, we haven't got a clue.
We're half crazy
Watching the things you do.
Corporate greed's exploding!
Civility's imploding.
But you'll look sweet,
In defeat
When the recall vote **count** finds you.

Walker, Walker, cheeseheads are feeling blue.
You've sold our future
To benefit just a few.
Your attitude's condescending.
Your reign shall have its ending!
And you'll look sweet,
In defeat
When the recall vote **count** finds you.
