

## We Need Planned Parenthood

*Original lyrics by the Peninsula Raging Grannies  
New verses by Vicki Ryder; small changes by Kathy Miner  
Tune: Battle Hymn of the Republic*

**We're** the Raging Grannies and we're **here** to take a stand,  
To **keep** free choice for women and to **keep** our families planned.  
We **won't** go back to hangers if our **right** to choose is banned!  
We **rage** for women's lives.

CHORUS: **No** more dying in back alleys!  
    **We'll** keep raging in these rallies  
    **Until** we stop these crazy schemes **against** Planned Parenthood,  
    We **rage** for women's lives.

We **stand** here on the street and wonder **at** the sad disgrace  
That **women's** rights might simply **disappear** without a trace.  
We **put** aside our rolling pins to **save** the human race –  
We **rage** for women's lives.

CHORUS: **No** more dying in back alleys...

We've **come** here to this program and it's **not** just for the sport,  
To **tell** the world that **we** must keep the **rights** for which we fought –  
The **right** to plan our families and, if needed, to abort!  
We **rage** for women's lives.

CHORUS: **No** more dying in back alleys...

We **won't** lie down and **take** it when they **make** these budget cuts  
While they **spend** our taxes **for** the wars – we **think** they must be nuts!  
It's **time** to tell the **world** there can't be **any** ifs or buts,  
We **need** Planned Parenthood!

CHORUS: **No** more dying in back alleys...
