

# Santa's in a Caravan

Tune: Up on the Housetop

Lyrics: Carol Tyler

**Down** near the **border reindeer** pause  
**Where** is **good** old **Santa Claus**?  
**Children** are **waiting** in **every state**  
But **we're** afraid that **he'll** be late.

Ho, ho, ho! **Who** didn't know  
Ho, ho, ho! **Who** didn't know that  
**Santa's not** a **ci-ti-zen**  
So **he's** in a **migrant caravan!** *[guitar; 2-3-4]*

About that **stocking, little Nell,**  
**Mom** and Dad will **fill** it well  
**You** will get a **nice** loud drum  
So **you** can **bang** out **A-SY-LUM!**

Ho, ho, ho! **Who** didn't know  
Ho, ho, ho! **Who** didn't know that  
**Santa is** an **alien**  
**Part** of a **migrant caravan?** *[guitar; 2-3-4]*

**As** for **you** dear **sweet Jose'**  
**How about** some **modeling clay**?  
**You** can **make** an **effigy**  
Of **those** who **lack** **humanity!**

Ho, ho, ho! **Who** didn't know  
Ho, ho, ho! **Now you know**  
That **Santa is** an **alien** / at the  
**Rear** of a **migrant caravan!**
