

Consumer Wonderland

Tune: Winter Wonderland

revised in Madison, December, 2010

TV's on – are you watching?
Another product they are hawking
One **more** thing you need
To make life complete
Welcome to Consumer Wonderland

In the stores – you will hear it
Pricey **gifts** show the spirit
That's what they call it
To get to your wallet
Welcome to Consumer Wonderland

At the mall we can go out shopping
And buy lots of stuff we can't afford
We'll have lots of fun with **all** our new toys
Until we realize that we're still bored

When you shop – ain't it thrilling?
Until you get the billing
The money you still owe
The stuff broke long ago
Welcome to Consumer Wonderland!
