

Oh Shopper Dear

Tune: Oh Tannenbaum

Key of D, Start on D

Oh, shopper dear
Come over here
And listen to our message.

Oh, shopper dear
Come over here
And listen to our message.

The women toil
In far off lands
So you can wear
Your favorite brands.

Don't get a break from dawn 'til dusk
It isn't right // Let's make a fuss

When buying shirts and pants and stuff
Ask // were the workers paid enough. *(repeat)*
