

## Oh, Shopper Dear

Tune: O Tannenbaum

Original author unknown, revised by Madison Raging Grannies' Wordsmithing group

Oh, **shopper** dear, come **over** here  
And listen **to** our message.

Oh, **shopper** dear, come **over** here  
And listen **to** our message.

The workers **toil** in far off lands  
So you can **wear** your favorite brands

Don't **get** a break from **dawn** 'til dusk  
It isn't **right** // Let's **make** a fuss!

When **buying** shirts and **pants** and stuff  
Ask // Were the **workers** paid enough?

*[slower, watching director]*  
Ask // Were the **workers** paid enough?
