

I Want Peace This Season

Tune: I'll Be Home For Christmas

Lyrics: Rose DeShaw, shared by Gerri Martini

I want **peace** this **season**

Care for **human** need

The **hungry** fed

For **each** a bed

Homeless **in** from the co-old

On this **day** I'm **asking**

For **peace** to **start** with **me** *begin crescendo*

Let it **spread**

Through **all** the **world**

And **to** e **ter** ni ty!
