

Fair Trade Dreidel

by Kathy Miner, Raging Grannies of Madison WI, revised Nov, 2014

Tune: I Have a Little Dreidel

Commercial toys and tchotchkes
Are not worth what we spend;
But when we buy from crafters
We all win in the end!

CHORUS:

Oh, fair trade, fair trade, fair trade,
A better kind of gift;
Oh, fair trade, fair trade, fair trade,
Gives everyone a lift!

So look for fair trade items
For every holiday;
Your family will love 'em
And proudly you can say:

CHORUS

Instead of spending money
On presents no one needs;
I'd rather put my dollars
Toward good works and good deeds.

CHORUS
