

The Exit-Plan Rock

tune of Jingle-Bell Rock, Nelson 2007

Key of G, Start on G

Bring 'em back, bring 'em back, bring 'em back home,
Pack 'em in trucks and shlep 'em in jeeps,
Squeeze 'em in humvees, a dozen to one,
Now your Exit Plan has begun!

Bring 'em back, bring 'em back, bring 'em back home,
Here a battalion, there a platoon,
Fly home that jet plane as full as you dare,
Thru the frosty air!

It's the right time, yes it's high time,
To end this dumbass war!
Turn our Bradleys into ploughshares:
We ain't **gonna** study **war** no more!

Bring 'em back, bring 'em back, bring 'em back home,
Ship 'em home 'round the clock;
From Afghanistan, from Iraq,
That's your Exit Plan, that's our Exit Plan,
That's the Exit Plan Rock!
