

Uh Oh! We're in the Red, Dear

tune: Rudolph the Red Nosed Reindeer

revised by Helen Findley and the Madison Grannies

Key of A, Start on E

Uh oh! We're in the red, Dear
On our credit card it shows
Holidays are now upon us
And the debit line still grows.

So here's a plan for this year
A different kind of shopping spree.
Let's give a Fair Trade gift, dear
Gifts of love from you and me.

I'm so foggy every eve
Wondering how we'll pay
Holidays don't seem so bright
When our finances are tight.

Shopping like Santa's zombies
Sent our budget down in flames
But all our Holiday spirit
Helped the giant retail chains.

So here's a plan for this year
A different kind of shopping spree.
Let's give a Fair Trade gift, dear
Gifts of love from you and me.
