

Completed Sing-along Signs List

For each song listed below, Gail Shearer has made a poster-size sign with the chorus lyrics printed on it. These are held up so that audiences can sing along. Gail gmshearer@yahoo.com is the maker & keeper of the signs.

Sign are made only for songs that have three or more identical choruses that can be sung by the public. Ideally, Gail needs two+ weeks to make a sign, but she may be able to make one in less time on occasion.
